East Northfield, Mass., Dec. 14.-There is Washington, Dec. 14.-An important deno doubt, viewed even from the most favorable position, that the condition of Dwight L. Moody is critical. Mr. Moody is liable to die within a few days, and then again if his disease should take a favorable turn he may live, if he is willing to stop work,

the disease should take a favorable urn has may live, if he is willing to stop work, for several years.

The bulletin issued to-day by his family physician, Dr. N. P. Wood, while it does not say so in so many words, shows to physicians that Mr. Moody bus sight's disease. The bulletin is here given:

"Dwight L Moody has not been as well for the past four days, complications arising which have caused much anziety. His lower extremities are swelling and albuminuriah as appeared, which is considered to be due to the cardiac or heart trouble. Dr. Frederick C.
